

**Krityam Solutions &
Services Pvt. Ltd.**

CERTIFICATE OF INTERNSHIP

This is to certify that Ms Shreya Sawant has completed an internship program as a Backend & App Development Intern at Krityam Solutions and Services Pvt. Ltd. Her internship was effective from May 24, 2026, to August 24, 2026.

During her internship, Ms Shreya Sawant contributed to the development of backend systems and mobile applications. She worked on implementing application features, developing and integrating APIs, debugging technical issues, and improving application functionality. She demonstrated a strong willingness to learn and take on technical challenges.

Key Project Contributions:

- **Backend Development:** Contributed to backend services, APIs, database operations, and application logic.
- **App Development:** Assisted in developing and integrating features for mobile applications.
- **API Integration:** Worked on integrating backend APIs with application features and ensuring smooth data flow.
- **Debugging & Optimisation:** Helped identify and resolve technical issues and improve application performance.

We appreciate Ms Shreya's work and technical contributions during her internship. We wish her great success in all her future endeavours.

Best Regards,

Rohit Kewate
Founder & CEO
